Prayer from the Congregation

As we have prayed for Christian unity this week, we come asking that You help us in our understanding of what You want for Your church in the world during our time on earth. In the comfort of our own traditions we sometimes forget that You are the God of all peoples, whatever creed or faith and whatever ritual or liturgy. We pray we can, in our own faith, put aside our own personal prejudices, and become more aware of how we can help Your church to grow, to work together, however difficult it may be for us, but with God's help to do his will, and not our own, to strengthen and build up His Kingdom wherever we find ourselves. Amen

Prayer for the congregation P19
