### Prayer from the Congregation

Our Father God, we praise you that you have put us in families. We thank you for all the times in the past we have been able to enjoy family celebrations. We thank you too for being part of a church family. Help us to care for each other in your name and as we celebrate another Church Anniversary, may we remember and be grateful for all those who have contributed to the founding and growth of this church and other churches which have nurtured us. In the name of Jesus your son and our brother. Amen
