Prayer from the Congregation

Lord God, we ask your blessing on all whose lives are distressed and livelihoods disrupted by the ongoing floods and severe weather conditions. We thank you for all that is being done to bring help to these struggling areas. We thank you also, for the community spirit we see at work. May we learn from this and be reminded of your call to help all those in our neighbourhood who cross our path in need; and to show your love and care for all .

Amen
