Congregational Prayer

We pray for the youth of our community as they look forward to the school holidays. May they keep safe and enjoy their summer break. We pray too, for those who carry the responsibility for their learning. May both pupils and teachers benefit from the change of routine and feel refreshed for the new term. We remember that our discipleship calls us to learning and growing in the way of your Son; so may we continue to learn what it means to ‘live for Christ in the heart of our community’. Amen.
