Congregational Prayer

Almighty God, we praise you for the gift of memory. At this special time we thank you for writers and poets, artists and photographers whose work helps us to 'remember' people, places and events which we haven't experienced for ourselves but which mean so much to us. We praise you for all those who are prepared to risk and give their lives for others whether in war or peace. We remember too, those whose experiences of war have left them mentally scarred and those who, because of illness, can no longer remember so much that matters to them. Thank you that You never forget any one of us. In Jesus name.
