### Congregational Prayer

We praise you, O God, for your perseverance in showing your love and your guidance to us, the people you created. We praise you for prophets in every age who speak courageously about right and wrong; justice and injustice and we pray for those today who put at risk personal convenience, comfort or even safety in order to share your love for every human being. Bless the preaching of your Word, we pray in the name of your Living Word, our Saviour Jesus. Amen
