BLESSINGS IN THE NEW YEAR

Congregational Prayer

Heavenly Father, we thank you for all that our families mean to us. Thank you for the time we have been able to share together this Christmas time. Thank you, too, that our memories of those we love but see no longer, are a comfort and strength to us. We pray for families who live in danger and those who are separated from each other. Thank you that Jesus grew up in a human family and understands us in every way. Help us to grow in you, so that we might live as your family and help others to come to know how much they are loved by you.

Amen.
